

Application for Residential Appliance/Product Rebates

For a current list of qualifying equipment, visit www.NIPSCO.com/SaveEnergy or call 1-800-721-7385.

Rebate Requirements

- Applicant must be a NIPSCO natural gas or NIPSCO Choice customer, and the location of installed equipment must have active NIPSCO natural gas service.
- All applicable fields must be completed on the form to receive a rebate (address of installation is required).
- A copy of the customer's invoice(s) must be stapled to the back of this form. Quotes or proposals will not be accepted.**
- Equipment must be purchased on or after May 1, 2010.
- The rebate form and invoice(s) must be postmarked within 60 days of purchase. (Rebate funds are limited and available on a first-come, first-served basis.)**
- Please allow up to eight (8) weeks to receive your rebate. Incomplete rebate forms will not be processed.
- Mail the completed, signed form and invoice to:
Attn: EnergyHarvest Rebate Program
431 Charmany Drive
Madison, WI 53719-9929

Application for Residential Appliance/Product Rebates

This completed form and a copy of the invoice(s) must be provided to receive a rebate(s). I certify that I have purchased the product(s) indicated on this form, and the unit(s) was installed at the address indicated. **I understand that random inspections may be conducted to verify installation according to the terms and conditions.** I have read and understand the general eligibility, terms and conditions associated with this program. I am providing the requested information solely to be eligible to participate in this program and request that the personal information supplied by me be treated as confidential to the maximum extent possible. I acknowledge and agree that NIPSCO is not warranting any equipment, nor will it be liable for any personal injury or property damage caused by the equipment.

Customer's Signature: _____ Date: _____

Terms and Conditions

General Eligibility: This offer provides rebates for the purchase of new, installed qualifying products and/or services, and is not dependent on the purchase of any other product or service unless indicated. Offer valid for NIPSCO natural gas or NIPSCO Choice residential customers only. The rebates on this form are available to residential customers on rate 311 (excluding master metered accounts). If you are not sure what your rate class is, contact (800) 721-7385. Customers cannot apply for a residential rebate and a new home construction rebate on the same appliance or product. One form must be completed for each address in which appliance(s)/product(s) is installed. NIPSCO rebate cannot exceed the cost of the equipment or service.

Verification: NIPSCO reserves the right to verify sales receipts and/or installations of products and services before issuing rebates. A random inspection may be conducted to verify installations. By submitting this form, applicant agrees to participate in any audit requested by NIPSCO as it pertains to the rebate program.

Program Modifications: NIPSCO reserves the right to alter or discontinue these rebate offers at any time without notice. Rebate funds are limited and are available on a first-come, first-served basis.

Disclaimer: NIPSCO does not guarantee that energy efficiency measures purchased and installed or services provided through this program will result in energy and costs savings. NIPSCO reserves the right to deny or limit any rebate request. In addition, no warranties on appliances or on product or service installations are provided by NIPSCO, nor does the program warranty, guarantee or endorse the energy efficiency services provided by any specific contractor participating in the program. Please allow up to eight (8) weeks to receive your rebate.

Eligibility Dates: This rebate form is only eligible for qualified installations performed on or after May 1, 2010. All forms must be postmarked within 60 days of purchase to be considered eligible for rebates. NIPSCO reserves the right to alter or discontinue this program or related rebates at any time without notice.

Contractor Instructions: Verify that customer's natural gas utility at the installation address is NIPSCO.

High Efficiency Natural Gas Furnace, Boiler and/or Water Heater: Installers are required to implement the following measures to qualify furnace, boiler and/or water heater installations for rebates:

- Chimney liners must be installed where atmospherically-drafted equipment remains in the residence.
- Installers must complete flue closure protocol where a high efficiency furnace, boiler and/or water heater is installed and the chimney has no other use; where the water heater is power vented through the sidewall or is fueled by electricity (refer to flue closure protocol);
- The furnace must be a sealed combustion unit with combustion air supply provided from outside the home to reduce whole-house air infiltration.

This form has no cash value.

Please retain a copy for your records.
